Hats Hats Hats

As you know, STA has made a commitment to be SunWise! We have a fantastic dress code approved hat available for our smart students to wear that is fashionable, sturdy, and UPF 50+. We have one hat style available in 2 different color schemes: navy and khaki, and natural and red; and 2 size options for the khaki and navy. The hats offer adjustable sizing, lightweight crushable and packable material, and they are cool and fun to wear! If you volunteer for playground duty and you want a great hat, this it! Be a role model for our kids; set the example!
