2009 - 2010 Application for Parishioner Tuition Discount
Submit completed application/verification with your registration forms

If possible each family is asked to meet the standard (full) tuition rate for each student.

St. Thomas the Apostle School offers a discounted tuition rate for those families who are registered members who are actively involved and participating in their parish. The reduced rate will become effective when the completed Parish Verification form, signed by your pastor is received at St. Thomas the Apostle. Criteria used in determining "active and contributing in-parish" membership may vary from parish to parish. Such criteria would include:

- The parent(s)/guardian and child(ren) must be Roman Catholic and registered as parishioners in the parish records.
- The parent(s)/guardian and child(ren) must regularly attend Sunday and Holy Day Masses at the parish.
- The parent(s)/guardian must support the parish financially.
- The parent(s)/guardian and /or child(ren) involvement in a parish ministry will also be given favorable consideration.

Those families not registered, active and participating members of a parish as defined above, will be required to pay the standard (full) tuition rate for each student enrolled at St. Thomas the Apostle School.

I/We understand and accept the provisions of this policy, and I/We are applying for the parishioner tuition discount offered by St. Thomas the Apostle School to be an active, contributing participating member of our parish.
